Good Friday Collection for Churches in The Holy Land: This collection is a main source of income for the maintenance and sustainability of the Christian identity in the Holy Land, and is taken up all around the world. The funds are used not only towards pastoral, social, educational, health and welfare initiatives, but also to provide for our fellow Christians who have been forced to flee the Holy Places due to violence and the threat of war.

Jubilee Events are happening all year round, and on the 27th April, co-inciding with the Jubilee of Teengaers, Blessed Carlo Acutis, a young man who loved technology and used it to spread the Gospel, will be canonised. He is a great example to put before our young people. Carlo was an Italian teenager known for his deep faith and love for the Eucharist. Born in 1991, he used his computer skills to create a website documenting Eucharistic miracles. Despite battling leukemia, he remained joyful and dedicated to his faith. Carlo passed away in 2006 and was beatified in 2020, serving as an inspiration for young people around the world. His life shows us that holiness is possible in the modern world. He reminds us that faith isn't just for the past but is vibrant and alive today.
